Volledig open source

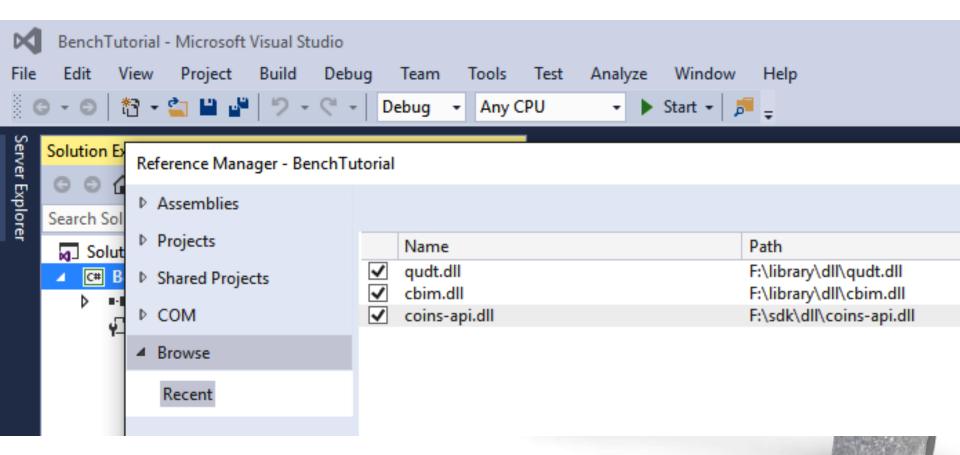

Beschikbaar op https://github.com/sysunite/coins-2-sdk

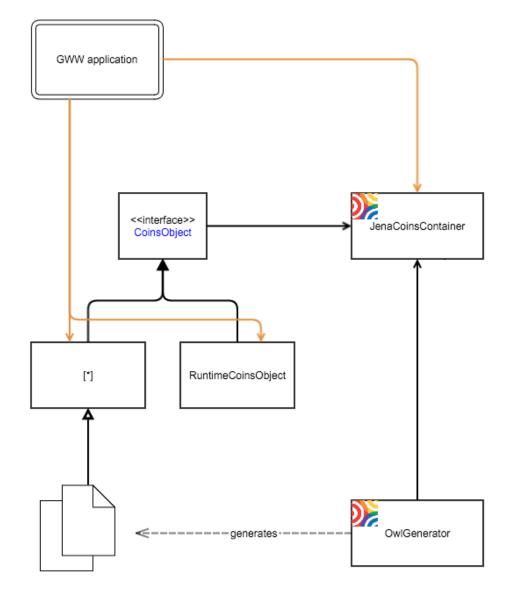

Inhoud van de SDK

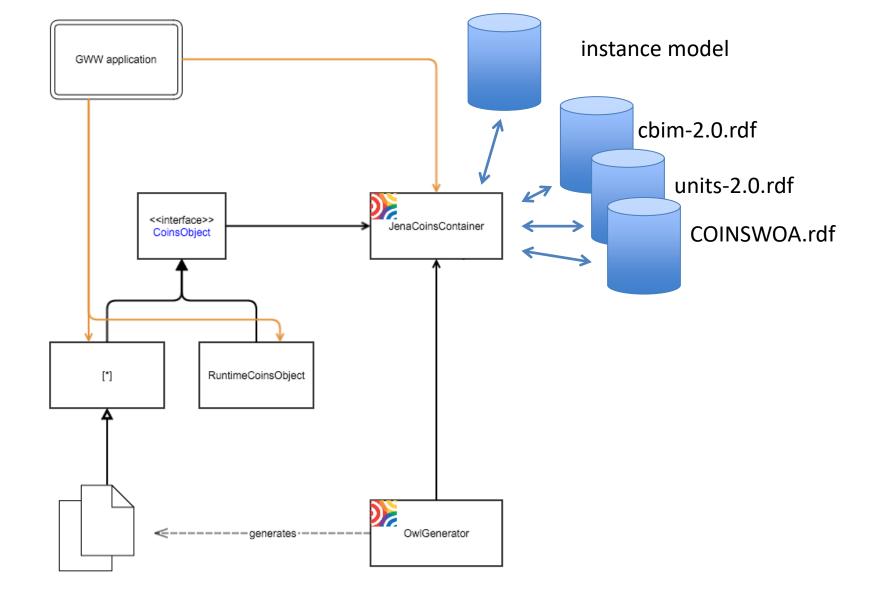

- De **coins-api**, een code library (Java en .NET)
- Een command line interface coins-cli
- Een coins-viewer web applicatie
- Een code library generator coins-owlgenerator:

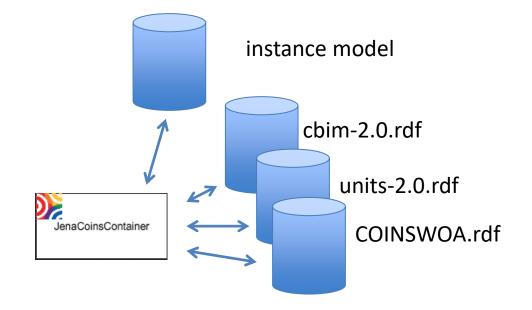

```
cbim-2.0.rdf → cbim.dll
units-2.0.rdf → qudt.dll
otl.owl → otl.dll
```

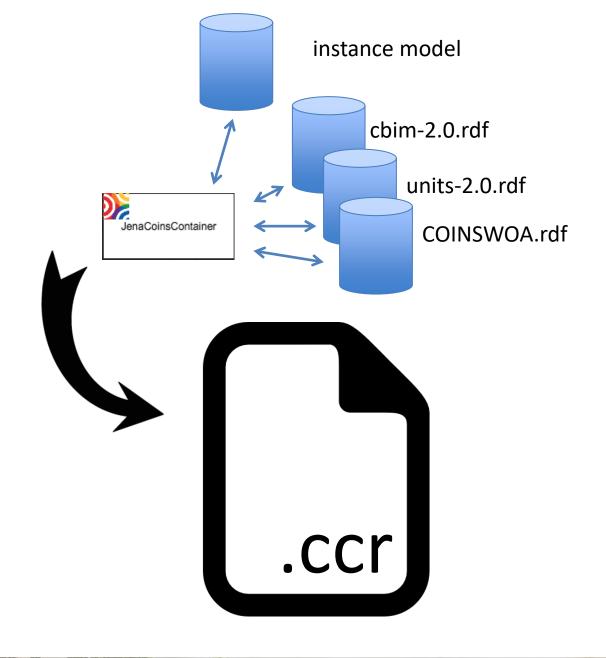

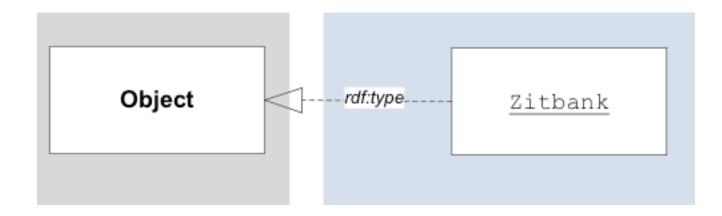

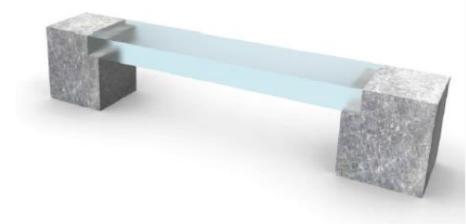

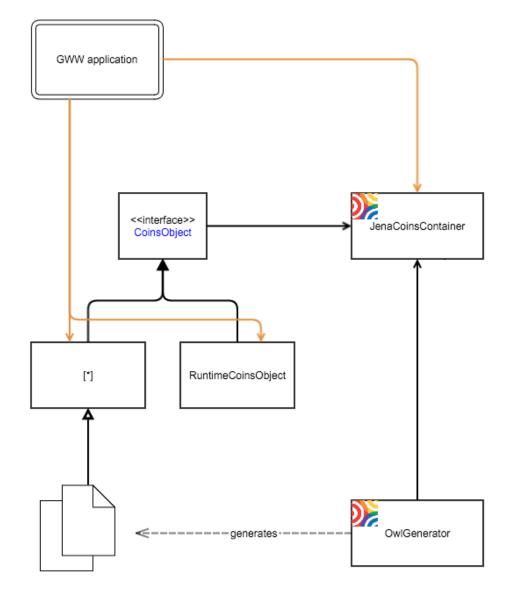

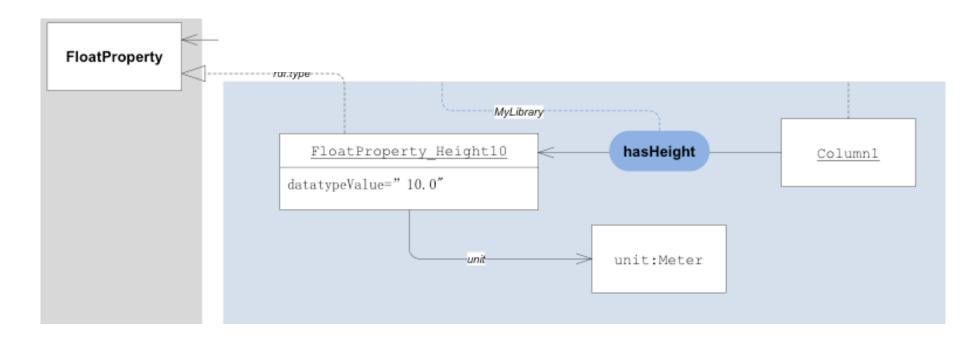

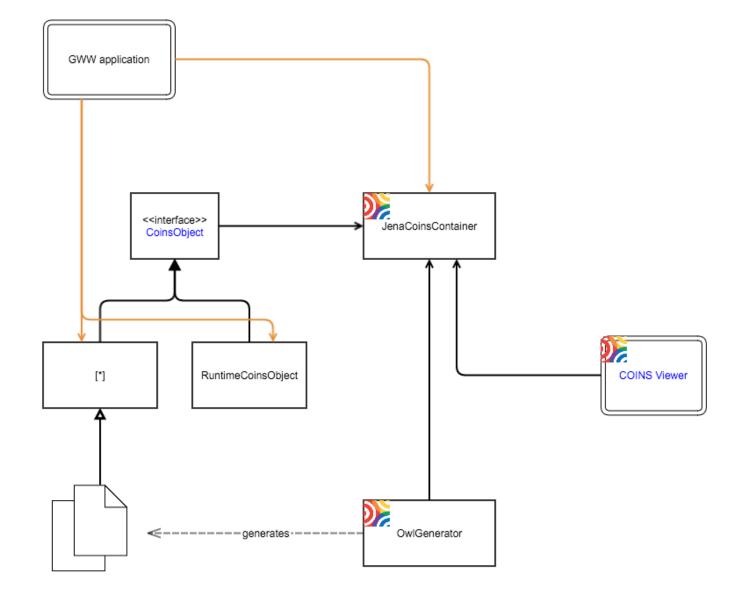

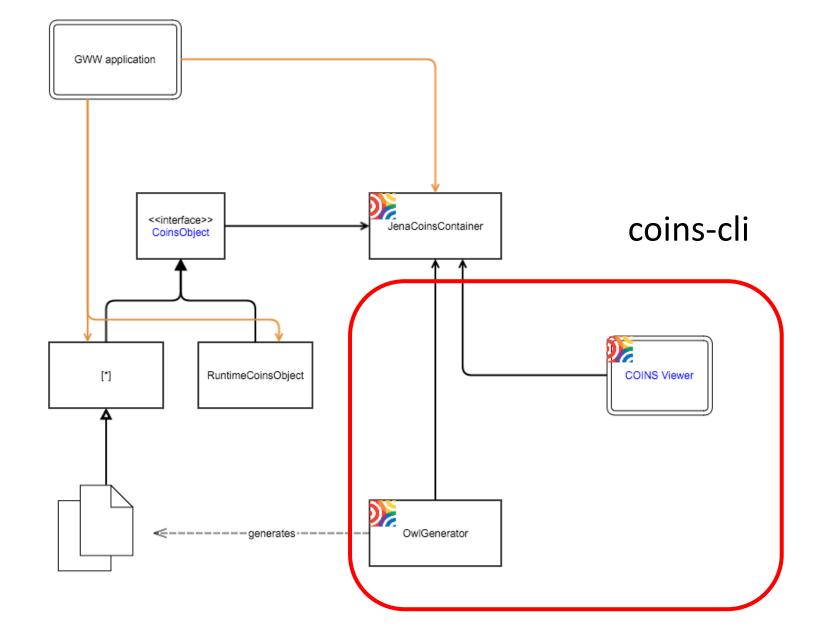

Coins-cli viewer

Opdrachtprompt - coins-cli viewer -i C:\bench_tutorial\bench.zip

```
::\Users\Pristinus\Desktop\coins-cli>coins-cli viewer -i C:\bench_tutorial\bench.zip
COINS 2.0
command line interface (build 120)

Logging to file C:\Users\Pristinus\Desktop\coins-cli/coins-cli.log
running coins viewer on bench.zip
use your web browser to navigate to http://localhost:8080
(use Ctrl-C to stop service)
```
